

Ruben DE RAEVE

PERSONAL DATA

DATE OF BIRTH:	11 Mars 1996	NATIONALITY:	Belgian
MARTIAL STATUS:	Single	GENDER:	Male
MOBILE PHONE:	+324 87 66 76 64	EMAIL:	rderaeve@gmail.com
DRIVING LICENSE:	Category B	LINKEDIN:	rubenderaeve

EDUCATION

FEB 2026	Applied Artificial Intelligence (Postgraduate Certificate)
FEB 2025	Howest: HOGESCHOOL WEST-VLAANDEREN , Belgium
SEP 2019	Master of Science in ELECTROMECHANICAL ENGINEERING MAIN SUBJECT MECHANICAL ENERGY ENGINEERING
SEP 2017	UGent: UNIVERSITEIT GENT , Belgium Distinction: <i>magna cum laude</i>
SEP 2018	Master in ENERGY SYSTEMS AND ASSOCIATED MARKETS
SEP 2017	INP: INSTITUT POLYTECHNIQUE DE GRENOBLE , France Erasmus exchange year
SEP 2017	Bachelor of Science in ELECTROMECHANICAL ENGINEERING
SEP 2014	UGent: UNIVERSITEIT GENT , Belgium Distinction: <i>cum laude</i>

WORK EXPERIENCE

PRESENT	Software Engineer at BRICSYS , Ghent Belgium
SEPT 2023	C++ CAD software development: geometric algorithms, performance-critical code, feature implementation, debugging and refactoring of large codebase
AUG 2023	Software Engineer at MARELEC FOOD TECHNOLOGIES , Nieuwpoort Belgium
OCT 2021	C++17/20 development of cutting and optimization algorithms for industrial waterjet cutting machines; path planning, numerical robustness, real-time constraints
JUN 2021	Testing Specialist at HITACHI ABB POWER GRIDS LTD , Dättwil Switzerland
JAN 2021	High-voltage laboratory testing; data acquisition and analysis in Python, automation of test analysis, statistical evaluation and reporting
DEC 2020	Intern at ABB , Dättwil Switzerland
AUG 2019	Research internship on high-voltage gas circuit breakers; experimental data analysis, signal processing and visualization using Python
JUL 2019	Responsible for public relations at IAESTE , Ghent Belgium
SEP 2018	Voluntary: organising social events for the local student committee
AUG 2018	Intern at INEOS , Lavera France
JUL 2018	Analysing the potential of the cogeneration units as flexible power-generation assets for the electricity reserve market.
JUN 2018	Responsible for jobraising at IAESTE , Grenoble France
DEC 2017	Voluntary: convincing French companies to offer internships for foreign student through IAESTE.
AUG 2017	Intern at EPS , Belgrade Serbia
JUL 2017	IAESTE internship in the national control room of the electric power distribution in Belgrade.
AUG 2016	Sailing instructor at SPORT VLAANDEREN , Nieuwpoort Belgium
JUL 2015	Responsible for a group of beginners or experienced sailors on a lake
JUN 2015	Sales, logistics and administration at HUIS VOSSEN , Lennik Belgium
